

THE KINGDOM STORY

A 9-Month Narrative Bible Reading Plan

Reading Scripture as One Unfolding Kingdom Story

An Invitation

The Bible is not a collection of disconnected religious writings.

It is one story. A story of a King, a Kingdom, and a people invited to live under His reign.

This reading plan is designed to help you encounter Scripture the way it was given not as fragments, but as a single, unfolding narrative that leads to Jesus Christ. You are not simply reading for information. You are entering a story meant to form you.

How to Read This Way

As you read, resist the urge to treat Scripture as:

- isolated moral lessons
- inspirational quotes
- theological reference material

Instead, read with these questions in mind:

- What does this reveal about God as King?
- How is His Kingdom advancing, resisted, or restored?
- How does this moment move the story toward Christ?
- What kind of people are being formed under His reign?

You are not mastering the Bible. You are learning to see the Kingdom.

What Makes This Plan Different

- Narrative First. The story always leads. Commentary follows.
- Redundancy Reduced. Repeated material is read once, not four times.
- Prophets Integrated. Prophetic voices are placed inside their historical moment.
- One Gospel Story. Jesus' life is read as a single, harmonized narrative.
- Revelation as Unveiling. Read with historical grounding and symbolic depth without charts or speculation.

This plan is not about finishing the Bible. It is about being reshaped by the reign of God.

A Final Encouragement

Read prayerfully. Read patiently. Read humbly.

Some days will feel rich. Some days will feel quiet.

Do not measure progress by speed.

Let the story do its work. Let the King re-form your vision.

This is not merely a reading plan.

It is an invitation to live inside the story of the Kingdom under the reign of the King.
